You feel like you're never prepared enough when the time comes!

Ugh, it's no use . . . I don't know where to begin!

Come on, Hay Lin! We girls are masters at the art of IMPROVISING! Sticking to the four, basic RULES is enough!

FLOWER

FIRST of all: always remove your lip gloss!

and SECOND: throw away your chewing gum!

number THREE: brush your teeth carefully! And number FOUR . . .

. . . close your eyes and dream!

Is that all? In that case, it's easy! I already do all those things EVERY NIGHT . . .

. . . just before I go to bed!
